1 Print speeds are based on the print engine speed only. Total throughput time for any print depends on various factors including workstation configuration, file size, print resolution, ink coverage and networking. Actual print speeds will vary. | **2** Compared to similarly featured CAD/Technical printers priced at $10,000 MSRP (USD) or less based on manufacturers' published specifications and industry available data as of June 2023. | **3** Based on scans at 200 dpi in Black-and-White or Color Mode. | **4** Based on Epson internal testing from pressing the "Copy" start button through the end of the copy, print and cut. Total throughput time for any copy depends on various factors including workstation configuration, file size, print resolution, ink coverage and networking. Actual print speeds will vary. | **5** Requires Epson Smart Panel app download. Data usage fees may apply. | **6** Most features require an Internet connection to the printer, as well as an Internet- and/or email-enabled device. For a list of Epson Connect™ enabled printers and compatible devices and apps, visit www.epson.com/connect | **7** Wi-Fi CERTIFIED™; level of performance subject to the range of the router being used. Wi-Fi Direct may require printer software. | **8** Product comes with a 1-year limited warranty with the option to purchase extended service plans up to a total of 5 years of continuous coverage. See individual service plan for details. | **9** All features of this system require an active Internet connection and the use of a supported browser. | **10** Expedited shipping not available in all areas. Orders must be placed and processed by 1 p.m. Pacific Time for Next-Business-Day delivery. See limited warranty or extended service plan for details. | **11** Geographic limitations may apply. Service request must be received and processed by 1 p.m. Pacific Time, Monday through Friday, excluding holidays. See limited warranty or extended service plan for details. | **12** Savings based on purchasing extended service plans with hardware versus purchasing stackable 1-year service plans at a later date for the equivalent duration.
